Exhibitor Name: _____ **Junior Sheep Association of Florida Points Series Circuit Points Tracker** Age Division: _____

JSAF members can use this chart to help keep track of their placings in showmanship and their animals' placings in the show. Points are awarded for showmanship, class placings and divisional awards based on a point system. A copy of the points system can be found at www.juniorsheepassociationofflorida.org/point-system.html. Only ONE animal from each show may be used in the final points calculation. JSAF members are responsible for keeping and calculating their own points throughout the show season and submitting this form with their information from the UP TO FOUR highest point earning shows for showmanship and their selected sheep to use in points calculation to the JSAF by the due date in late spring. Simply circle the name/date box of each show and the box of the animal that you wish to count for points for end-of-year submission for awards to make it easy for you.

The sheep used in calculating points may differ at each show (i.e. if a member shows both a breeding ewe and market lamb, and the ewe places higher than the lamb at two shows, they may use the ewe's points for those two shows and the market lamb's for the other two). Please note that animals MUST be entered in the show under JSAF member's name as listed on official show results.

Name Date	**Show 1**	**Show 2**	**Show 3**	**Show 4**	**Show 5**	**Show 6**	**Show 7**	**Show 8**	**Example** *Anytown FFA Jackpot Show Aug. 12 2017*
